Annemarie N. Ricketts Skin Care Expert "When it doesn't feel like a job everyday, you know it your passion, you know that's what you are meant to do" Annemarie has over 8 years of experience in the skin industry and advanced training in medical and esthetic procedures. She specializes in customized treatments aimed toward improving aged, dry/textured and sun-damaged skin. She has a strong focus and background in treating acneic skin conditions for both teens and adults with these issues. Through touch, design, concepts, products and client education, Annemarie gets results by determining skin type, condition and attributes all unique to each individual client. Annemarie has a passion for skin health and is eager to grow through continuous education and advanced training from top skin care lines, like Obagi and Skinceuticals. She achieves optimum skin wellness through her treatments and educating her clientele on proper use of products for home care and maintenance. Each visit or consult she will review past, present, and future concerns, along with your personal needs and objectives. Annemarie is highly experienced in waxing with her focus on eyebrow sculpting and correction. Other treatments include microdermabrasion, chemical peels, dermaplane, classic facials, LED low level light therapy and combination treatments. Annemarie holds esthetics licenses in both Ohio and Pennsylvania and is certified in Medical Assisting and Phlebotomy.

Annemarie's Secret Weapon or Industry Tool: My hands Annemarie's morning routine: I appreciate a good cleanser. So, I keep a variety on hand. A good eye cream, a vitamin C serum for brightness/pigment reducer and my ultimate favorite, a tinted sunscreen. Annemarie's evening routine: Cleanse then a topical retinol or leave on acid (sometimes infused with a hydrator). Sundays are my full facial. Cleanse, exfoliate with a mild acid or sugar polish, mask then a moisture hydrator How Annemarie spoils herself: I love this Industry. Skin treatments from colleagues! Annemarie's Favorites (honestly too many talented individuals at Yudu to pick just one) Hairstylist: Nikki Volpe and Kristine Dixon

Skin Care Specialist: Sara Starkey
